  - American Humanist Association is looking to connect with humanistic satanic organizations.
  - During WASH's Board of Directors' meeting last night, I mentioned that some Satanic Temple congregations have been leaving TST to establish themselves independently / with CSC.
  - [name redacted for privacy], one of WASH's Chapter Coordinators, is also an employee of the American Humanist Association (Operations & Development Senior Coordinator), and she sent me an email after the meeting to ask if I knew how many groups and where?
  - She said that AHA would love to learn more about what they're doing, interested in doing, and what support they need. AHA has been reaching out to Sunday Assembly, Oasis, etc. to invite dual affiliation so groups can benefit from their resources and connections.
  - So they're looking to connect with humanistic Satanist organizations like ours... If any of you would like to contact [name redacted for privacy] directly, her email address is [email address redacted for privacy] ... feel free to pass this along to other CSC folks as well.
