# BOARD OF DIRECTORS MEETING

---

December 7, 2025

## ATTENDEES

**Present:** Asmodeus Sion, Zora Garm, Isaac Graves, Sarah St. Abaddon

**Absent:** Kate Baxter

**Quorum present:** Yes

## RECURRING BUSINESS

- **Member Congregation Updates – update tracker doc**
  - No updates re: tracker this week – this will likely get an update in 2026
  - San Diego congregation dues are set to come in his month
  - Mo spoke to senator from OBM, awaiting follow-up
  - Mo has reached out to senator from KoS, awaiting follow-up
  - [redacted discussion about congregation annual dues]
- **Potential Congregation updates**
  - [name redacted] discussion updates: [redacted] does not belong to a congregation at this time. They have a lot of passion and are organized with a plan for the prison penpals. It would be hard to support the prison pen pal effort without them having a congregation. They would like to join as a volunteer and see if they can put together a local group. We have offered our support to help pull together a group. One option is to post about it on social media to garner support. Otherwise, we may not have the resources to commit to the program at this time. Considering asking [redacted] in an email to us as they organize all of this that they have no affiliation with other Satanic orgs.
  - It seems some old congregations (currently not CSC) are struggling to stay together and we may be able to offer them support and resources.
- **Financial Update (full update on 1st Sunday of every month)**
  - Current balance: [redacted]
- **Committee updates**
  - We have received volunteer applications and will be assessing soon
- **Services**

- Service-related Discord issues have been resolved
- AI: Mo to reach out in Pandamonium and ask for input on service topic
- **Review Senate meeting minutes**
  - Senate meets tonight, December 7th. Review next week.

## THIS WEEK'S NEW BUSINESS

- **New Volunteers: we have 5 - 7 volunteers who have offered support**
  - See Volunteer Applications
  - Mo is in communication with each volunteer-candidate
- **New year high-level discussion**
  - How do we make sure we're serving our existing congregations? Are we public enough? What do we need to do for both our existing and future congregations? Are there things we are doing now that are driving toward future goals but are not aligned with these activities specifically, and what can we hold off on to fulfill current goals? Is there an ideal number of congregations we need to add to be in a good place financially? Potential campaign to sign on new congregations? We would love to see 3 to 5 new congregations within the next calendar year. Time to set goals for recruitment? Do we need to be more publicly present?
